

**Amendments to the Specification:**

The specification has been amended as indicated in the “red lined” version of the specification enclosed with this response. In the “red lined” version of the specification, Applicants have indicated changes to the text of the specification using gray highlighting in addition to circling changes in red ink. A clean copy of the amended specification has also been enclosed with this response.

Applicants submit that the substitute specification addresses the objections to the Specification raised by the Examiner on page 2 of the pending office action. Applicants also submit that the substitute specification addresses the objections to Figure 1 of the Drawings raised by the Examiner on page 2 of the pending office action. Lastly, Applicants submit that no new matter has been added to the substitute specification. Applicants request that the amended specification be substituted for the specification currently on file.
